FOR IMMEDIATE RELEASE

RM THORNTON MECHANICAL APPOINTS NEW VICE PRESIDENT JIM CANTRILL

Capitol Heights, MD (March 7, 2014) – RM Thornton Mechanical, a division of Harris Companies, today announced the appointment of Jim Cantrill to Vice President, Major Projects.

“Jim brings years of relevant industry experience to this new role. He will work closely with the existing team to participate in the growth we are currently experiencing.” said Dan Aghdam, President of RM Thornton. “His extensive background and knowledge of our industry will help RM Thornton Mechanical to become a stronger partner to our General Contractor clients.

Prior to joining RM Thornton, Cantrill worked in leadership roles that included President, Senior Vice President, and Vice President Project Management for a Maryland-based construction company where he was instrumental in the management and growth of the business.

Cantrill is a graduate of UA Mechanical Trades School in Dayton, OH and a member of WBC and MCAA.

RM Thornton Mechanical

After 80 years, RM Thornton Mechanical continues to be recognized by the industry and marketplace alike for its outstanding performance and quality mechanical contracting. Providing plumbing and HVAC services, RM Thornton exceeds expectations by every measure. Building projects throughout Maryland, Virginia, and the District of Columbia since 1932, RM Thornton performs every job with the customer service, craftsmanship, integrity, and experience expected by its customers.
